PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

The past year was a good one at Cross High School. Our students showed considerable academic achievement. They engaged in a number of service activities and set an example for students in other schools in our district. Among our accomplishments were the following:

- * The average SAT score for our seniors increased more than 100 points from 748 in 99-2000 to 859 in 2001;
- * 66 of 70 seniors met standard on all parts of the Exit Exam;
- * 31 seniors received the President's Service Challenge Award;
- * 78% of "first attempt" 10th graders met standard on the reading portion of the Exit Exam, while 79% met standard in math;
- * In the Post and Courier's "Wild Tales" writing contest a senior won 1st place in her grade level, an eighth grader won 2nd place, and another 8th grader received honorable mention. All three entries were published;
- * The Future Business Leaders of America student organization once again competed at the State level.

Our teachers worked very hard last year improving both their own professional skills and the instructional program. Teachers attended professional growth conferences, workshops and classes, and were trained in the "best practices" by our LEAD teachers. We began preparation for our upcoming SACS Spring 2002 Peer Review.

A second year teacher entered the TASSEL I program and is pursuing a Master's Degree at South Carolina State University. Two other teachers will begin the TASSEL II program for National Board Certification this fall.

Our students continue to take a scholarly and businesslike approach towards their studies. We hope to continue this trend by continuously improving teacher, student, parent and community relations.

We will continue to believe in our school motto: Education is the key that unlocks the door to a brighter future!
